Dear Ms. Sinram,

This letter is submitted by the undersigned counsel on behalf of Good Government For America Committee (C00317479), in response to your Request For Additional Information (RAI) dated February 3, 2011. Each of the matters raised in your letter are addressed below.

As an initial matter, your letter's reference line refers to the 12-Day Pre-Primary Report (10/01/2010 – 10/13/2010). As originally filed, the report at issue was incorrectly marked as a pre-primary (12P) report. It is actually the Pre-General (12G) 2010 report, and is marked as such on the amended filing. See copy attached.

1. Regarding the Committee's two contributions to Marco Rubio for U.S. Senate, the first of those contributions (7/22/10) should have been reported as a primary election contribution. It was erroneously reported as a general election contribution on the 2010 October Quarterly. The 2010 October Quarterly report has been amended accordingly.

2. All contributions to candidates shown on the report at issue have been amended to reflect the correct election year date in which they were made, *i.e.*, 2010. None of these contributions were made in connection with a 2004 election, and therefore, no redesignations are needed.

3. All "office sought" information is included in the amended filing.

4. With respect to the contribution to The Majority Partnership Fund, the reference to "John Boozman for Senate" has been deleted on the amended filing. The Committee made a
